

Celebrating Advent Season Together

The season of Advent is approaching. This period, the four weeks before Christmas, is a time when we prepare ourselves, spiritually, to celebrate the birth of Christ. This year St. Ignatius and Parent Club are offering a couple of 'fun'draising and spirit raising activities to make the celebration of Advent season both fun and meaningful. You might say, at S.I. we have Advent in the Bag! 😊

On November 20, each student will be given an Advent Bingo card to complete at home with their family. Each bingo square will guide your family through great advent activities in the spirit of Christmas. Each completed bingo card will be entered into one of three age level prize raffles. (Raffle categories: PS-3, 4-8, Adult)

Additionally, Parent Club is offering "Advent in the Bag" - a fun family package with everything you need to celebrate Advent in your home. "Advent in the Bag" is also a wonderful gift for friends, family and neighbors or the St. Ignatius Bounty meals service. We hope you'll consider participating this year.
