

Art Club Permission Slip

My child, _____, in grade _____, has my permission to join the St. Ignatius Art Club. Art Club members are allowed to use art tools which may have sharp or pointed parts, they will use art supplies that can stain clothing (smocks will be available), and they may view classic and contemporary works of art which may contain mature images (as in museum exhibits).

Art Club meets on the *third* Thursday of each month during lunch recess, and additional informal meetings may be scheduled to allow more time for students to work on projects. Any student who disrupts an Art Club meeting with inappropriate behavior will be dismissed from the meeting and will be sent back out to recess.

A voluntary donation of \$5.00 is requested to help pay for art supplies.
