

Parishioner Rate vs. Non-parish Rate

An important reminder

To receive the parishioner tuition rate for grades K-8, a family must be registered with St. Ignatius Loyola Parish, active/participating, and contribute a minimum of \$800 per year or \$67/mo through their offertory or other parish donations. Tuition contract status will be reviewed several times during the school year. Those families who are not meeting this minimum requirement will be moved to the non-parishioner tuition rate.

To check on the status of your parish payments and make payments you can use the parish payment system REALM.
